

2021 PROGRAM

CALL FOR PROPOSALS

LA VIRÉE – RÉSIDENCE

DEADLINE – FRIDAY FEBRUARY 19TH 2021

PANACHE art actuel is inviting artists and artist collectives to submit a research and creation residency project for its 2021 program. Since 2014, PANACHE has been proudly supporting artistic endeavors, local and beyond, by offering the Côte-Nord region as a territory for creators. The mandate of our residency program is to create space for exploration and creation as to produce a nomadic exhibition that can be presented in our network through the dissemination project La Virée de la culture.

Artistic Direction

PANACHE art actuel wishes to explore the particularities of the North Shore such as notions of proximity and distance, space and time as well as research related to the specific characteristics of the region (distance, remoteness, environment, space, territory, resources, isolation, etc.).

PANACHE also defines itself as a platform for dialogue between artists and locals. During your residency, a conference, a workshop, or a performance related to your work will be initiated by the center to achieve this goal.

The Territory

The seemingly boundless territory that stretches from Tadoussac to Blanc-Sablon not to mention Fermont, Schefferville and Anticosti Island includes 1,300 km of coastline and vast expanses of a magnificent landscape. Whether it's for a change of scenery or to discover its diversity, the Côte-Nord is a unique destination for research and artistic creation.

Like a vast creative playground, we offer you the Côte-Nord and its resources as a flexible place for creation. We are looking for original projects relevant to the destination you choose in the region.

Residency Projects

- Artist statement (250 words)
- Description of the residency project, specific needs, and choice of destination in the territory* (650 words)
- Curriculum vitae (3 pages max.)
- A visual file including 10 images and a descriptive list of works
- If applicable, press document (3 pages) and videography (5 minutes)
- Timeline (2-week minimum residency)
- Budget (PANACHE offers a residency fee, details on request)

We offer two schedules, either in the summer of 2021 or in the fall of 2021. Please specify your preferred dates.

Send files by email only to info@panacheartactuel.com

Folders must be compressed when sending (ZIP file, WeTransfer, Dropbox). The project selection will be conducted by a jury of peers and we will send an acknowledgment of receipt and notes from the jury to all applicants.

The center respects the Status of the Artist Act and pays exhibition rights to artists in addition to the promotion, transportation costs, as well as travel assistance on the North Shore territory.

* PANACHE does not have a fixed location to welcome artists in the residence however our team offers support for the various aspects related to the realization of the residency (place of production, accommodation, production equipment, etc.). We can guide you according to your needs.

For questions, please contact us.

Manager - PASCALE PONEY / info@panacheartactuel.com
